

End of Fiscal Year (FY) Deadlines 2024

Financial Services has established the following deadlines for processing transactions against current FY24 funds to ensure that the university's business is conducted in full compliance with state laws and policies. This also helps establish purchase orders/contracts/payments/travel/payroll/inventory applications for the start of FY25. These deadlines are established to enable staff to better manage the increased year-end workload. We ask that departments adhere to the deadlines to the best of their ability. Procurement & Payment Services will make efforts that day to submit requisitions that require a bid (\$15,000+)
