## 84th Regular Session, Agency Submission, Version 1 Automated Budget and Evaluation System of Texas (ABEST)

734 Lamar University GOAL: 1 Provide Instructional and Operations Support Statewide Goal/Benchmark: 2 0 OBJECTIVE: I Provide Instructional and Operations Support Service Categories: STRATEGY: Operations Support Service: 19 Income: A.2 Age: B.3 (1) (1) CODE DESCRIPTION Exp 2013 Est 2014 **Bud 2015** BL 2016 **BL 2017** 

## STRATEGY DESCRIPTION AND JUSTIFICATION:

The Instruction and Operations Formula provides funding for faculty salaries, departmental operating expense, library, instructional administration, research enhancement, student services and institutional support. The funds are distributed on a weighted semester credit hour basis. The rate per weighted semester credit hour is established by the Legislature each biennium.

## EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

In the previous biennium, FY2012-2013, General Revenue was reduced by an additional \$10.8M. The current biennium General Revenue appropriation reduced in total by \$15.8M compared to FY 2010-2011 original funding. The university was required to reduce the faculty workforce and the elimination of non-mission critical departments.

Another 10% reduction in FY2016-2017 will require the university to continue the reduction in the faculty workforce and look for additional programs and/or departments to close. The impact of another reduction may include the delay in graduation for some students; a reduction in faculty staffing and compensation; and a possible loss of experienced qualified faculty.

<sup>(1) -</sup> Formula funded strategies are not requested in 2016-17 because amounts are not determined by institutions.
