Bachelor of Science in Nursing

Annual Program Report Template

Year	:2022-2023
Program: BSN in Nursing	Nursing
Contact Person (include email & phone#)	Cynthia.Stinson@lamar.edu

Summary of Continuous Improvement Efforts since Last Report

Provide a brief description of how assessment results have been used for program improvement. Point to a specific example of how an assessment provided the program with data it could use for improvement and what that improvement was, if possible, also show evidence of the improvement. You may look at data from the two previous academic years to support this case.

Respond here:

Graduating senior students are administered HESI Specialty Exams and an Exit HESI Exam to determine their ability to Pass the NCLEX National Qualifying exam. It is projected that graduating seniors HESI Medical-Surgical Specialty Exam class mean should be greater than or equal to 900 to predict success on the NCLEX Qualifyins

with
patients/clients
and members of
the
interprofessional
and
intraprofessional
evidence-based
findings.

Critical Thinking
section of the
Med-Surg
Specialty HESI.

Spring 2023
exam mean 978-
the score
improved from
fall 2022 which
indicates that
we are
improving in
theis area of
critical thinking
with the
revisions to
curriculum
pass rates for 1st time writers at >88% (average for the NCLEXRN nationally in 2018 84%).(average for NCLEX RN 2023 84%)	NCLEX on first attempt.					education of faculty, and changes in evaluation
