						* What do the data tell you? How will you use this data? How were data from the last cycle used to make changes during this cycle, and What were the results of those changes?

To have a nationally

professional
counseling.

must pass to
obtain
professional
licensure as a
counselor.

Students will demonstrate competence in counseling skills and techniques. Students will demonstrate mastery of basic and advanced counseling skills by passing CNDV 5310 with a B or better. Students also will perform satisfactorily during Residency, Practicum and Internship.

Students will demonstrate competence and skill in conducting an intake interview, a mental status evaluation, a biopsychosocial history, a mental health history and a psychological assessment for treatment planning and caseload management. Proficiency in developing counseling relationships and performing culturally competent counseling interventions will be assessed.

MEASURE:
Counselor
Competency
Scale (CCS)
Part 1, which
pertains to
counseling skills

Site
Supervisors of
MCFC students
enrolled in
Practicum and
Internship
complete
midterm and

					grade of B or better.	
Students will demonstrate professional dispositions throughout the program. Students will demonstrate professional characteristics and dispositions (such as professional responsibility, self-awareness, personal comporment, cultural competency and integrity and flexibility and adaptability) throughout the counseling program.	Students will develop and demonstrate intrapersonal awareness and an accurate understanding of the basic motivations of self.	MEASURE: Counselor Competency Scale (CCS) Part 2 - Item 2.C, which addresses interpersonal awareness	Residency instructors evaluate MCFC students' professional dispositions related to interpersonal awareness using the CCS - Part 2, Item 2.C - during the face-to-face component of the Residency course.	At least 80% of MCFC students will meet or exceed expectations for professional dispositions related to interpersonal awareness, as indicated by students' scores for Part 2 - Item 2.C - of the CCS.	Of the 416 MCFC students who were enrolled in CNDV 5393 (Practicum) and CNDV 5394 (Internship) during the Fall 2022 and Spring 2023 semesters, 413 (99.28%) met or exceeded professional dispositions related to interpersonal awareness, as indicated by students' final evaluation scores for Part 2 - Item 2.C - of the CCS.	None
	Students will develop and demonstrate emotional sensitivity, interpersonal respect, and professional decorum in all professional interactions. Proficiency in understanding and relating to clients in an emotionally sensitive and respectful manner.
