Utilization of Sick and Annual Leave
For General Employees**

Injured employees may elect to use accrued sick leave and all, part, or none of their accrued annual leave for time missed from work due to the work related injury. Accrued sick leave and accrued annual leave are the amounts of paid leave available at the time of injury in addition to leave earned after the injury. The following details the effects of the different choices available to you.

If You Choose Election 1

- You must use all accrued sick leave but may elect to use all, some, or none of your accrued annual leave.
- All sick leave must be exhausted before annual leave may be used.
